A group of 50 children from 'The Vatsalya Foundation' visited Della Adventure by spending the entire day and participating in adventure activities at Della Adventure, Lonavala. Principal designer and managing director, of Della Adventure and Della Resorts, Jimmy Mistry believes in giving back to the society through his many CSR

activities.

All the children were very happy after the adventure experience at Della Resort. Speaking about the visit, said Swati Mukherje, Executive Director, The Vatsalya Foundation, 'The visit was so memorable for the children, they enjoyed the delicious lunch provided at Della Adventure and also the interaction with B.D. Somani International School students.'
